

Charley Pride- Burgers and Fries (1978)
(Easier key)

Chorus:

C Em F C
Burgers and fries and cherry pies, it was simple and good back then
C Em F G7
Walking in the sand hand in hand never thinking that it could end
F Em F E7 Am
Making our love with the moon above at the drive-in picture show
F C F G7 C F
And it was burgers and fries and cherry pies in a world we used to know

Verse 1:

C Em
Changes come and go, we've had our share I know
Gm C Am
Now it seems we don't have time for love anymore
F G7
All the things we used to say, little things we did each day
F G7 C G7
Oh I long to do the things that we did before, when it was...

Chorus

Verse 2:

C Em
Well I'm still the same old me, that's all I'll ever be
Gm C Am
I'd like to think that you're the same old you
F G7
We lost something down the line that I wish we both could find
F G7 C G7
I'd love to do the things that we used to do, when it was...
