

Coldplay- Violet Hill (2007)

Tuning- EADGBC#C#

Verse 1:

Was a long and dark December from the rooftops I remember
There was snow, white snow
Clearly I remember from the windows they were watching
While we froze down below
When the future's architected by a carnival of idiots on show
You'd better lie low

Chorus:

If you love me won't you let me know?

Verse 2:

Was a long and dark December when the banks became cathedrals
And the fog, became God
Priests clutched onto bibles
Hollowed out to fit their rifles
And the cross was held aloft
Bury me in armor when I'm dead and hit the ground
My nerves are poles that unfroze

Chorus

Solo (over Verse)

Verse 3:

I don't want to be a soldier who the captain of some sinking ship
Would stow, far below

Chorus 2:

So if you love me Why'd you let me go?

Outro:

I took my love down to violet hill
There we sat in the snow
All that time she was silent still
So If you love me won't you let me know?
If you love me, Won't you let me know
