Cracker- Low (1993)

Intro: D C E G (x4)

Verse 1:
```
D            C                  E       G
  Sometimes I wanna take you down
D            C                  E       G
  Sometimes I wanna get you low
D              C                  E         G
  Brush your hair back from your eyes
D            C                  E      G
  Take you down let the river flow
```

Verse 2:
```
Sometimes I'm gonna and walk the street
behind a green sheet of glass
A million miles below their feet
A million miles, a million miles
```

Chorus: (x2)
```
D            C      E              G
  Being with you girl like being low
D        C            E       G
Hey hey hey like being stoned
```

Verse 3:
```
A million poppies gonna make me sleep
But just one rose that knows your name
The fruit is rusting on the vine
The fruit is calling from the trees
```

Verse 4:
```
Hey a-dont you wanna go down
Like some chunky cosmonaut
A million miles below the streets
A million miles a million miles
```

Chorus (x2)

Solo (over Verse x4)

Verse 5:
```
Blue, blue is the sun
Brown, brown is the sky
Green, green are her eyes
A million miles, a million miles
```

Verse 6:
```
Hey don't you wanna go down
Like some disgraced cosmonaut
A million miles below their feet
A million miles, a million miles
```

Chorus (x4)
