Intro: G Cadd9 (x3)

Verse 1:

G G/F#
I think the universe is on my side
Em7
Heaven and earth have finally aligned
Cadd9 D G Cadd9 G
Days are good and that's the way it should be

Verse 2:

G G/F#
You sprinkle stardust on my pillowcase
Em7
It's like a moonbeam brushed across my face
Cadd9 D G Cadd9 G
Nights are good and that's the way it should be

Pre-Chorus:

G/F# Em7 Cadd9
You make me sing oohh lalala
Em7 Cadd9* D*
You make a girl go oohh I'm in love, love

Chorus:

Cadd9 G Em7 D
Did you see that shooting star tonight?
Cadd9 G Em7 D
Were you dazzled by the same constellation?
Cadd9 G Em7 D
Did you and Jupiter conspire to get me?
Cadd9 G Em7
I think you and the moon and Neptune got it right

Hook:

D* G G/F# Em7 Cadd9
Cause now I'm shining bright so bright
G G/F# Em7 Cadd9
Bright, so bright

Verse 3:

And I see colors in a different way
You make what doesn't matter fade to grey
Life is good and that's the way it should be
