```

Fleetwood Mac- Landslide (1975)
Capo 3

Intro: Main Riff (x2)

Verse 1:

(Main Riff)

I took my love, I took it down

(Main Riff)

I climbed a mountain and I turned around

(Main Riff)

And I saw my reflection in the snow covered hills

(Main Riff w/Turnaround)

Til the landslide brought me down

Verse 2:

Oh, mirror in the sky, what is love?

Can the child within my heart rise above?

Can I sail through the changing ocean tides?

Can I handle the seasons of my li-ii-ii-iiiiife?

Main Riff (x2)

Chorus:

(Chorus Riff)

Well, I've been afraid of changing

(Alternate Main Riff)

Cause I've built my life around you

(Chorus Riff)

But time makes you bolder, even children get older

(Alternate Main Riff)

And I'm getting older too

Solo (over Main Riff x4)

Chorus

Verse 3: (no turnaround)

Oh, take my love, take it down

Oh, climb a mountain and turn around

And if you see my reflection in the snow covered hills

Well the landslide'll bring you down

And if you see my reflection in the snow covered hills

Outro: (over Main Riff x2, end on G)

Well the landslide'll bring you down

Oh oh, the landslide'll bring you down
