In the night, I hear 'em talk
The coldest story ever told
Somewhere far along this road
He lost his soul
To a woman so heartless

How could you be so heartless?

Verse 1: over Intro (x3)

How could you be so cold,
as the winter wind when it breeze, yo?
Just remember that you talking to me though
You need to watch the way you talking to me, yo
I mean, after all the things that we been through
I mean, after all the things we got into
And yo, I know of some things that you ain't told me
Yo, I did some things but that's the old me
And now you wanna get me back
And you gon' show me
So you walk around like you don't know me
You got a new friend
I got homeys
But in the end, it's still so lonely

Chorus

Verse 2: over Intro (x3)

How could you be so Dr. Evil?
You're bringing out a side of me that I don't know
I decided we weren't gonna speak so why we up 3am on the phone?
Why does she be so mad at me for?
Homey, I don't know, she's hot and cold
I won't stop, won't mess my groove up
'cause I already know how this thing goes
You run and tell your friends that you're leavin' me
They say that they don't see what you see in me
You wait a couple months then you gon' see
You'll never find nobody better than me

Chorus

Baby, let's just knock it off
They don't know what we been through
They don't know 'bout me and you
So I got something new to see
And you just gon' keep hatin' me
And we just gon' be enemies
I know you can't believe
I could just leave it wrong
And you can't make it right
I'm gon' take off tonight
Into the night

Chorus (x2)
