```

B           F#   B
Must be getting early
E           A   E
Clocks are running late
F#                   B
Paint by number morning sky
E
Looks so phony
B           F#   B
Dawn is breaking everywhere
E           A           E
Light a candle, curse the glare
F#                   B
Draw the curtains, I don't care, cause
E
It's all right

```

I see you've got your list out
Say your piece and get out
Yes I get the gist of it, but
It's all right
Sorry that you feel that way,
The only thing there is to say
Every silver lining's got a
Touch of grey

```

**Chorus**

### **Bridge:**

C#m C#7 F# B F#  
It's a lesson to me  
C#m C#7 F# B F#  
The Ables and the Bakers and the C's  
G#m D#7 C#7 F#  
The ABC's we all must face  
B7 E F# B F#  
And try to keep a little grace

### **Solo**

### **Bridge 2:**

It's a lesson to me,  
The Deltas and the East and the Freeze  
The ABC's we all think of,  
To try to win a little love

### **Verse 3:**

I know the rent is in arrears,  
The dog has not been fed in years  
It's even worse than it appears, but  
It's all right  
Cow is giving kerosene,  
Kid can't read at seventeen  
The words he knows are all obscene, but  
It's all right

### **Chorus**

### **Verse 4:**

The shoe is on the hand it fits,  
There's really nothing much to it  
Whistle through your teeth and spit, 'cause  
It's all right  
Oh well a touch of grey  
Kinda suits you anyway,  
That was all I had to say, and  
It's all right

### **Chorus**

### **Chorus 2:** (x2, to fade)

We will get by,  
We will get by,  
We will get by,  
We will survive
