Verse 2:

So lets's get married
I'm serious

How it doesn't apologize or anthologize
All the rules and ideas we fill our heads with

Pre-Chorus 2:

Hey do you want to go see a band? No I hate bands
It's always packed with men spooning their girlfriends
Clutching their hands as if they let go
Their feet would lift from the ground and ascend

Chorus

Flute Solo (over several Empty Choruses)

Outro: (over Chorus x2)

I know what love isn't
I know what love isn't
I know what love isn't
I know what love isn't
