

John Denver- Take Me Home Country Roads (1970)

**Intro:**

Strum A four measures

**Verse 1:**

          A          F#m  
Almost heaven, West Virginia,  
E                          D                  A  
Blue Ridge Mountains, Shenandoah River.  
A                          F#m  
Life is old there, older than the trees,  
E                          D                          A  
Younger than the mountains growin' like a breeze

**Chorus:**

          A                          E  
Country roads, take me home  
          F#m                  D  
To the place I belong  
          A                          E  
West Virginia, mountain momma,  
          D                          A  
Take me home, country roads

**Verse 2:**

All my mem'ries gather round her,  
Miner's lady, stranger to blue water  
Dark and dusty, painted on the sky,  
Misty taste of moonshine, teardrop in my eye.

**Chorus**

**Bridge:**

F#m          E                  A  
I hear her voice, in the mornin' hours she calls me,  
          D          A                  E  
The radio reminds me of my home far away,  
          F#m                  G  
And drivin' down the road  
          D                  A                  E                  E7  
I get a feelin' that I should have been home yesterday, yesterday

**Chorus** (x2)

**Outro:**

          E                  A  
Take me home, country roads,  
          E                  A  
Take me home, country roads
