

Neil Young- Star of Bethlehem (1977)

Intro: a few measures of D

Verse 1:

```

D           G           A           D
Ain't it hard when you wake up in the morning
           G           A           D
and you find out those other days are gone?
    G           A           D
All you have is memories of happiness
E           A G F#m7
lingerin oooooooooooooonnnn

```

Verse 2:

```

All your dreams and your lovers won't protect you
they're only passing through you in the end
They'll leave you stripped of all that they can get to
and wait for you to come back again

```

Harmonica Solo

Alternate Live Verse:

```

You might wonder who can I turn to
On this cold and chilly night of gloom
The answer to that question
Is nowhere in this room

```

Verse 4:

```

Yet still a light is shining
from that lamp on down the hall
Maybe the star of Bethlehem
wasn't a star at all

```
