

Taylor Swift- Ours (2010)

**Intro:** C Am F F (x2)

**Verse 1:**

C Am F F  
Elevator buttons and morning air  
C Am F F  
Stranger's silence makes me wanna take the stairs  
C Am F F  
If you were here we'd laugh about their vacant stares  
C G F\*  
But right now, my time is theirs

**Verse 2:**

Seems like there's always someone who disapproves  
They'll judge it like they know about me and you  
And the verdict comes from those with nothing else to do  
The jury's out, but my choice is you

**Chorus:**

G F G  
So don't you worry your pretty little mind  
C Am  
People throw rocks at things that shine  
F G Am  
And life makes love work hard  
Am F  
The stakes are high  
F G  
The water's rough

But this love is ours

**Intro**

**Verse 3:**

They never know what people have up their sleeves  
Ghosts from your past gonna jump out at me  
Lurking in the shadows with their lip gloss smiles  
But I don't care, cause right now you're mine

**Chorus**
